Description: Hello,

I came across your "Kith n' Kin" when researching a marriage in the Dicker family and thought you might want to see this from findmypast.com:

Susanna

Last name Lake

Marriage year 1797

Marriage date 25 Mar 1797

Parish St Thomas

Place Exeter, St Thomas

Spouse's first name(s) John

Spouse's last name Dicker

Denomination Anglican

City or town Exeter

County Devon

Archive South West Heritage Trust

Record set Devon Marriages

Category Birth, Marriage & Death (Parish Registers)

Subcategory Marriages & divorces

Collections from United Kingdom

The parish record includes that John is of Cheriton Bishop and one of the witnesses is a Mary Ann C-can't make out the rest of the surname. I also looked for a marriage for a Susanna Codner first to Lake thinking perhaps she was widowed at the time of this marriage but couldn't locate anything. I only came across these folks because they were witnesses to a marriage between Henry Lake and Elizabeth Gove who I believe are my four times great grandparents. I'm hoping to find a solid documented connection between my Henry Lake and this Susanna Lake. Anyway I saw that you have family information that indicates a different surname for Susanna but this marriage would fall right in line with the birth of the first child of John and Susanna, so I thought I would pass it along. If you don't have a subscription to findmypast and would like me to email the parish register, I would be more than happy to do so.
